

# Glimpse

Kim Walker-Smith

I've encountered something I cannot deny  
Lord, I believe it  
Living water pouring into my life  
Oh, I receive it

You are moving  
Overflowing  
I am changed by a love that will never run dry

Spirit of God come alive in me  
I want to live in Your reality  
Give me a glimpse, give me a glimpse  
Into eternity  
I want to see the way Your eyes have seen  
I want to live in Your reality  
Give me a glimpse, give me a glimpse  
Into eternity  
Into eternity

Diving deeper, I'm thirsty for all that You are  
Pull me closer  
All consuming, running after Your heart  
Take me further

You are moving  
Overflowing  
I am changed by a love that will never run dry, oh!

Spirit of God come alive in me  
I want to live in Your reality  
Give me a glimpse, give me a glimpse  
Into eternity  
I want to see the way Your eyes have seen  
I want to live in Your reality  
Give me a glimpse, give me a glimpse  
Into eternity, yes!

You are greater than my wildest dreams  
You are more than any song could sing  
I can't contain all the joy You bring  
Oh, I'm dancing, oh, I'm dancing  
You are greater than my wildest dreams  
You are more than any song could sing  
I can't contain all the joy You bring  
Oh, I'm dancing, oh, I'm dancing, oh!

Spirit of God come alive in me  
I want to live in Your reality  
Give me a glimpse, give me a glimpse  
Into eternity  
I want to see the way Your eyes have seen  
I want to live in Your reality  
Give me a glimpse, give me a glimpse  
Into eternity...
