

Hurry

Kim Walker-Smith

I give You permission to interrupt my plans
I know Yours are better than all the ones I have
I'm slowing down
Tuning out everything but You
There's no rush
You're welcome to take up all the room

I don't wanna be in a hurry
I don't want time to get in the way
I just wanna give You the space
To move in this place
I don't wanna be in a hurry
I don't wanna miss what You wanna say
I just wanna give You the space
To move in this place

I put aside distraction and lay down all my cares
I give You my attention, God, make me so aware
That when You're near
Like you are now everything can change
There's no rush
You're welcome here to have Your way

(Come move, Jesus)
(There's nothing more important)
(There's nothing more important)
(There's nothing that matters more right now in this moment, Jesus)

Spirit of the living God
Fall afresh and fall on us
In Your presence we're undone
Come like a fire, come like a flood

Spirit of the living God
Fall afresh and fall on us
In Your presence we're undone
Come like a fire, come like a flood

Spirit of the living God
Fall afresh and fall on us
In Your presence we're undone
Come like a fire, come like a flood

Spirit of the living God
Fall afresh and fall on us
In Your presence we're undone
Come like a fire, come like a flood

I don't wanna be in a hurry
I don't wanna miss what You wanna say
I just wanna give You the space
To move in this place
I don't wanna be in a hurry
I don't want time to get in the way
I just wanna give You the space
To move in this place

Spirit of the living God
Fall afresh and fall on us
In Your presence we're undone
Come like a fire, come like a flood

Spirit of the living God
Fall afresh and fall on us
In Your presence we're undone
Come like a fire, come like a flood

Spirit of the living God
Fall afresh and fall on us
In Your presence we're undone
Come like a fire, come like a flood

Spirit of the living God
Fall afresh and fall on us
In Your presence we're undone
Come like a fire, come like a flood

I don't wanna be in a hurry
I don't want time to get in the way
I just wanna give You the space
To move in this place

I don't wanna be in a hurry
I don't want time to get in the way
I just wanna give You the space
To move in this place

And I don't wanna be in a hurry
I don't want miss what You want to say
I just wanna give You the space
To move in this place

I don't wanna be in a hurry
I don't want time to get in the way
I just wanna give You the space
To move in this place

Jesus
