

I Know

Kim Walker-Smith

In the presence of my enemies
When the storm is crashing down on me
I will trust in what I cannot see
I wait for You, I wait for You

You can part the violent sea
You can reach the depths of me!

I know, nothing is impossible
I know, every chain is breakable
I know, on Christ the solid rock I stand

I am waiting at the water's edge
Holding steadfast onto Your promises
Even though I'm not there yet
I trust in You, I trust in You

You can part the violent sea
You can reach the depths of me!

I know, nothing is impossible
I know, every chain is breakable
I know, on Christ the solid rock I stand!
My fear, is conquered by His perfect love
My life, is ransomed by His royal blood
I know, on Christ the solid rock I stand

My hope is built on nothing less
Than Jesus blood and righteousness
When darkness seems to hide His face
I rest in His unchanging grace
In every high and stormy gale
My anchor holds within the veil
On Christ the solid rock I stand
All other ground is sinking sand!

I know, nothing is impossible
I know, every chain is breakable
I know, on Christ the solid rock I stand!
My fear, is conquered by His perfect love
My life, is ransomed by His royal blood
I know, on Christ the solid rock I stand!...
