

Just Be

Kim Walker-Smith

Everything else can wait
I've come to seek your face
So everything else can wait
I'm here for You
I want to

Just be, here at Your feet
Just be, here on my knees
Here in your presence I am complete
Jesus, you're all that I need

Everything else can wait
I've come to seek your face
So everything else can wait
I'm here for you
I want to

Just be, here at Your feet
Just be, here on my knees
Here in your presence I am complete
Jesus, you're all that I need

There's nothing I want more
'Cause nothing matters more
There's nothing I want more, God
'Cause nothing matters more

There's nothing I want more, more than You, oh
'Cause nothing matters more, oh
There's nothing I want more, oh
'Cause nothing matters more

I'll just be, here at Your feet
Just be, here on my knees
Here in your presence I am complete
Jesus, you're all that I need, oh

I'll just be, here at your feet
Just be, here on my knees
Here in your presence I am complete
Jesus, you're all that I need
Jesus, you're all that I need, oh
Jesus, you're all that I need
