

Make Room

Kim Walker-Smith

Here is where I lay it down
Every burden, every crown
This is my surrender
This is my surrender

Here is where I lay it down
Every lie and every doubt
This is my surrender

And I will make room for You
To do whatever You want to
To do whatever You want to
And I will make room for You
To do whatever You want to
To do whatever You want to

Here is where I lay it down
Every burden, every crown
This is my surrender
This is my surrender

Here is where I lay it down
Every lie and every doubt
This is my surrender

And I will make room for You
To do whatever You want to
To do whatever You want to
And I will make room for You
To do whatever You want to
To do whatever You want to in my life

And I will make room for You, Jesus
To do whatever You want to
To do whatever You want to
And I will make room for You, yeah
To do whatever You want to
To do whatever You want to, oh

Shake up the ground of all my tradition
Break down the walls of all my religion
Your way is better
Your way is better

Shake up the ground of all my tradition
Break down the walls of all my religion
Your way is better
Your way is better

Shake up the ground of all my tradition
Break down the walls of all my religion
Your way is better
Your way is better

Shake up the ground of all my tradition
Break down the walls of all my religion
Your way is better

Your way is better

And I will make room for You
Do whatever You want to
To do whatever You want to
And I will make room for You, yes, Jesus
To do whatever You want to
To do whatever You want to, yeah

Your way is better
Your way is better
Your way is better

I have definitely tried to do it my own way a time or two
I know I can say for certain
Your way is better
Your way is better
Your way is better

I'm so thankful
You've had so much mercy, so much grace on me, Jesus
For all the times I tried to do it on my own, in my own way, in my own strength
But I have learned the greatest gift that I can give to You, Jesus
Is my surrender and all my trust in You, all my trust in You
The humility to say that
Your way is better
Your way is better
Your way is better

The humility chases out that religious spirit
'Cause Your way is better, Jesus
Your way is better
We cannot box You in
We cannot always explain it
Your way is better
Your way is better

Jesus
Give Him your surrender
Give Him your surrender
Give Him your surrender
Not just a little bit, not just a small percentage
Give Him all
Give Him all
Give Him all tonight
All your trust
You've got nothing to lose
You've got nothing to lose
He will not fail you
He will not fail you
He will not fail you
Who can compare to unearthly Father
... who may have failed you
He's God
He's one who made you
He's one who called you
He's one who loves you
He's one who lay down His life for you
He wants all of you
All your heart
All your mind
All your soul

All of you
Give Him all tonight
Give Him all tonight

Shake up the ground of all my tradition
Break down the walls of all my religion
Your way is better
Your way is better

Shake up the ground of all my tradition
Break down the walls of all my religion
Your way is better
Your way is better

Shake up the ground of all my tradition
Break down the walls of all my religion
Your way is better
Your way is better

Shake up the ground of all my tradition
Break down the walls of all my religion
Your way is better
Your way is better

Shake up the ground of all my tradition
Break down the walls of all my religion
Your way is better
Your way is better

Shake up the ground of all my tradition
Break down the walls of all my religion
Your way is better
Your way is better

And I will make room for You
Do whatever You want to
Do whatever You want to
And I will make room for You in my life, in my home, in my family, Jesus
I will make room for You
In our churches, God, yeah, You will be honoured
You will be glorified, Jesus
There is no other
There's no greater name but the name of Jesus
You're the only one worthy
You're the only one worthy, yeah
Jesus

And I will make room for You
To do whatever You want to
To do whatever You want to
And I will make room for You
To do whatever You want to
Come do whatever You want to, Jesus, Jesus
Come do whatever You want to, Jesus
Whatever You want to, Jesus

It's Jesus
It's Jesus

It's Jesus

It's Jesus

It's Jesus
It's Jesus
