

Nothing Else

Kim Walker-Smith

I'm caught up in Your presence
I just want to sit here at Your feet
I'm caught up in this holy moment
I never wanna leave
I'm not here for blessings
Jesus, You don't owe me anything
More than anything that You can do
I just want You

I'm sorry when I've just gone through the motions
I'm sorry when I just sang another song
Take me back to where we started
I open up my heart to You
I'm sorry when I've come with my agenda
I'm sorry when I forgot that You're enough
Oh take me back to where we started
I open up my heart to You

I'm caught up in Your presence
I just want to sit here at Your feet
I'm caught up in this holy moment
I never wanna leave
Oh I'm not here for blessings
Jesus, You don't owe me anything
More than anything that You can do
I just want You

I just want You
And nothing else, and nothing else
Nothing else will do
I just want You
And nothing else, and nothing else
Nothing else will do
I just want You
And nothing else, and nothing else
Nothing else will do
I just want You
And nothing else, and nothing else
Nothing else will do
I just want You
And nothing else, and nothing else
Nothing else will do
I just want You
And nothing else, and nothing else
Nothing else will do

I'm caught up in Your presence
I just want to sit here at Your feet
I'm caught up in this holy moment
I never wanna leave
No, I'm not here for blessings
Jesus, You don't owe me anything
More than anything that You can do
I just want You
I just want You
And nothing else, and nothing else
Nothing else will do

I just want You
And nothing else, and nothing else
Nothing else will satisfy
Nothing else will satisfy
Nothing else will satisfy
Oh Jesus, You are all that I need
You are all that I need

I'm caught up in Your presence
I just want to sit here at Your feet
I'm caught up in this holy moment
I never wanna leave
Oh, I'm not here for blessings
Jesus, You don't owe me anything
More than anything that You can do
I just want You
I just want You
And nothing else, and nothing else
Nothing else will do
I just want You
And nothing else, and nothing else
Nothing else will do
I just want You
And nothing else, and nothing else
Nothing else will do

Wake up Your church God
Shake up Your church God
That we would hunger for just one thing, just one thing
That we not be caught up in all the distractions, all the production
Oh that we would be after just one thing, just one thing
It's You Jesus, it's You Jesus
Stir up the hunger in Your church
Stir up the thirst within Your church
Jesus, oh that we would not be satisfied with anything else but You Jesus
For You Jesus, we just want You Jesus
We just want You Jesus
You are more than enough
You are more than enough
You are more than enough Jesus
Oh that You would lift our eyes, lift our eyes, lift our eyes
Drive out every distraction, drive out every distraction
Oh that our hearts would be set on You Jesus
Let our hearts be set on You Jesus
Let our hearts be set on You Jesus
Oh, pour out hunger, pour out hunger
For more, for more, for more, for more, for more of You Jesus
For more of You

And nothing else, and nothing else
Nothing else will do
I just want You
And nothing else, and nothing else
Nothing else will do
I just want You
And nothing else, and nothing else
Nothing else will do
I just want You
And nothing else, and nothing else
Nothing else will do
I just want You
And nothing else, and nothing else
Nothing else will do

I just want You
And nothing else, and nothing else
Nothing else will do
