

# On My Side

Kim Walker-Smith

In the front lines, You fight for me  
Oh, Your kindness is my shield  
When the armies rise and I am scared  
My heart You will defend

You are on my side  
You go before me  
You stand behind  
You tell my fear to run  
Always and forever  
I am loved  
You are on my side, oh oh  
You are on my side, oh oh

In the tragedy, You grieve with me  
Your comfort is my song  
In my wandering, You're still rescuing  
You will never, never give up

You are on my side  
You go before me  
You stand behind  
You tell my fear to run  
Always and forever  
I am loved  
You are on my side, oh oh  
You are on my side, oh oh

You were on my side  
You were on my side  
When I couldn't see  
When I couldn't feel  
When the pain was real  
You were on my side  
You were on my side  
When You saved me from my heart of stone  
You awoke these bones  
You were on my side  
You were on my side  
Nothing on this Earth could ever separate me from Your love

You are on my side  
You go before me  
You stand behind  
You tell my fear to run  
Always and forever  
I am loved

You are on my side  
You go before me  
You stand behind  
You tell my fear to run  
Always and forever  
I am loved  
You are on my side, oh oh  
You are on my side, oh oh
