

Only You

Kim Walker-Smith

When I lose hope, You stay here by my side
Though I may fear, You hold my trembling heart
Your love is kind, hope like the rising sun
Through lows and highs, I say Your will be done in me
In me, in me, in me

When fear is like a wildfire
I choose only You, I choose only You
Above my doubt and over every lie
I choose only You, I choose only You

Though I may wander, Your arms are open wide
In You, I'm home, the moment I open my eyes
Your love is kind, hope like the rising sun
Through lows and highs, I say Your will be done

When fear is like a wildfire
I choose only You, I choose only You
Above my doubt and over every lie
I choose only You, I choose only You

You chose the cross, so I choose surrender
You deserve my lifelong praise
You gave Your life, so I give my worship
You deserve my lifelong praise
You chose the cross, so I choose surrender
You deserve my lifelong praise
You gave Your life, so I give my worship
You deserve my lifelong praise

When the chaos comes my way
I will choose to praise

When fear is like a wildfire
I choose only You, I choose only You
Above my doubt and over every lie
I choose only You, I choose only You, oh-oh
When fear is like a wildfire
I choose only You, I choose only You
Above my doubt and over every lie
I choose only You, I choose only You
