

Rest On Us

Kim Walker-Smith

As the Spirit was moving over the waters
Spirit, come move over us
Come rest on us
Come rest on us
As the Spirit was moving over the waters
Spirit, come move over us
Come rest on us
Come rest on us

Come down
Spirit, when You move You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me
Come down
Spirit, when You move You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me
Come and fill us Holy Spirit

And fire and wind, come and do it again
Open up the gates, let heaven on in
Come rest on us
Come rest on us
Fire and wind, come and do it again
Open up the gates, let heaven on in
Come rest on us
Come rest on us

Come down
Spirit, when You move You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me
Come down
Spirit, when You move You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me

Holy Spirit, come rest on us
You're all we want
You're all we want
Holy Spirit, come rest on us
You're all we want
You're all we want

Holy Spirit, come rest on us
You're all we want
You're all we want
Holy Spirit, come rest on us
You're all we want
You're all we want

Come down
Spirit, when You move You make my heart pound

When You fill this room
You're here and I know You are moving
I'm here and I know You will fill me
Come down
Spirit, when You move You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me

Come down
Spirit, when You move You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me

Holy Spirit, come rest on us
You're all we want
You're all we want
Holy Spirit, come rest on us
You're all we want
You're all we want

Holy Spirit, come rest on us
You're all we want
You're all we want
Holy Spirit, come rest on us
You're all we want
You're all we need Holy Spirit

Come and rest on Your people
Come and fill us again
We can never get enough of You
I can never get enough of You
You said if we are hungry
You said if we're thirsty
That you would come fill us again
You would come fill us again
Well I am hungry for You
I am thirsty for You
We are hungry for you, Holy Spirit
Oh how we need You
We are hungry, come and fill us
We are thirsty, come and fill us
We are hungry for you Holy Spirit
Come and fill us again

Holy Spirit, come rest on us
You're all we want
You're all we want
Holy Spirit, come rest on us
You're all we want
You're all we want

Holy Spirit, come rest on us
You're all we want
You're all we want
Holy Spirit, come rest on us
You're all we want
You're all we want
