

Still Believe

Kim Walker-Smith

Your blood makes the deaf to hear right now
Your blood takes away the curse right now
Your blood heals every disease right now
Your blood sets the addict free right now

And I still believe You're the same yesterday, today and forever
And I still believe Your blood is sufficient for me

Your blood mends the broken heart right now
Your blood compels me to forgive right now
Your blood transforms my mind right now
Your blood brings the dead to life right now

And I still believe You're the same yesterday, today and forever
And I still believe Your blood is sufficient for me

You're the higher power
Darkness cannot stand
No longer bound to sin, I am free

And I still believe You're the same yesterday, today and forever
And I still believe Your blood is sufficient for me

Oh, all that I need
You are all that I need, Jesus
Your blood is enough for me
Oh, I believe, I believe, I believe, I believe, yeah

And I still believe You're the same yesterday, today and forever
And I still believe Your blood is sufficient for me

All I need
Come cover us right now
Come cover us Jesus
The blood, it opens deaf ears
The blood, breaks down disease
In Your presence, God, it has no place,
Pain has no place, disease has no place, sickness has no place
Weariness has no place, depression has no place
In Your presence, God, In Your presence, Jesus
We find all we need, we find all we need, we find all we need
In Your presence, Jesus
Oh, Jesus, all we need, is in You, Jesus
We believe, we believe, we believe
Tell Him tonight, tell Him tonight
Say I believe, I believe
Sing out in your words tonight
Let faith rise, let faith rise
Tell Him tonight
I believe, I believe You are who You say You are
You are the one who sees me, You're the one who's for me
You're the one who knows me, every hair on my head
You created me, how You love me
You're the one who has abundant help, abundant light for me
You're the one who has joy for me, Jesus
I believe, I believe, I believe
You are all I need

I believe, I believe, I believe
Oh, with all my heart, with all I am, even when I cannot see
I will stand with faith and I will believe
Oh, I believe, I believe, yeah

I believe, I believe
I will never stop believing
I believe, You are more than enough for me, God
I will not fear, I will not fear
Cause I believe
I believe
