

Trample

Kim Walker-Smith

(In the name of Jesus)

(In the name of Jesus)

The very same power that rolls back rocks from a dead man's cave
Is the very same power that I feel stirring in this place
The very same spirit that raised my Savior from the grave
Is the very same spirit alive and moving here today

Oh I've been given all authority
To trample every enemy
In the name of Jesus
All things in the name of Jesus
I've been given all authority
To trample every enemy
In the name of Jesus
All things in the name of Jesus

The very same liar that tried to take my hope away
Is the very same liar that I see silent here today
The very same darkness that keeps trying to prevail
Is the very same darkness that I'm sending back to hell

Oh I've been given all authority
To trample every enemy
In the name of Jesus
All things in the name of Jesus
I've been given all authority
To trample every enemy
In the name of Jesus
All things in the name of Jesus

In the name of Jesus

For it is done
By the power of the blood
I belong to You
Your Kingdom come
By the power of the blood
I belong to You

For it is done
By the power of the blood
I belong to You
Your Kingdom come
By the power of the blood
I belong to You

I overcome
By the power of the blood
I belong to You
Your Kingdom come
By the power of the blood
I belong to You

I overcome
By the power of the blood
I belong to You

Your Kingdom come
By the power of the blood
I belong to You

Oh I've been given all authority
To trample every enemy
In the name of Jesus
All things in the name of Jesus
I've been given all authority
To trample every enemy
In the name of Jesus
All things in the name of Jesus

Oh in the name of Jesus
In the name of Jesus
In the name of Jesus
In the name of Jesus
