

Undone

Kim Walker-Smith

When I'm crying from the darkness
When I'm looking for a sign
When I'm feeling like I can't go on
You close in on all sides
You are stronger than my doubting
Your love finds me when I hide
And even when I try to live without You
You are always kind

I am undone, o-oh
I am undone

When You cried out from the garden
Let Your will be done, not mine
When You took the weight of my mistakes
So I don't have to fight 'em
Now I let the sun rise on every scar and every sign
Of when You took this bruise and dying soul
And breathed it back to life

I am undone, o-oh
I am undone, o-o-oh! oh
I am undone, o-oh
I am undone, o-o-oh! oh

On and on, on and on
You carry me
You are there, You are there
Even in my wandering
When I fall, when I fall
Oh, let it be at the cross

And I am undone, o-oh
I am undone
I am undone, o-oh
I am undone, o-o-oh! oh

On and on, on and on
You carry me
You are there, You are there
Even in my wandering
When I fall, when I fall
Let it be at the cross
I am undone
