

# One

Kim Wilde

Here we are on a winter's day,  
It's colder than cold outside,  
But warmer than warm we'll stay.  
Here in our hearts,  
Where we've made our home  
We'll dress the tree,  
Just you and me.

As, one by one,  
Out from the box they'll come  
Shiny as new,  
Memories of Christmases past we've been through,  
Me and you  
We are One.

Spring will come,  
Summer just goes so fast,  
Autumn the leaves will fall,  
Another year will pass.  
So let's treasure each day like it was the last,  
These symbols of joy, are more than just toys.

As, one by one,  
Out from the box they'll come,  
Shiny as new,  
Memories of Christmases past we've been through,  
Me and you,  
We are One.

Shining bright, oh what a beautiful sight,  
On this winter's night,  
Let's celebrate all the good things in our life,  
Man and wife,  
We are One.
