Band Of Gold

Kimberley Locke

Now that you're gone All that's left is a band of gold All that's left of the dreams I hold Is a band of gold And the memories of what love could be If you were still here with me

You took me from the shelter Of my mother I had never known Or loved any other We kissed after taking vows But that night on our honeymoon We stayed in separate rooms

I wait in the darkness of my lonely room Filled with sadness, filled with gloom Hoping soon that you'll walk Back through that door And love me like you tried before

Since you've been gone All that's left is a band of gold All that's left of the dreams I hold Is a band of gold And the dream of what love could be If you are still here with me

Don't you know that I wait In the darkness of my lonely room Filled with sadness, filled with gloom? Hoping soon that you'll walk Back through that door And love me like you tried before

Since you've been gone All that's left is a band of gold All that's left of the dreams I hold Is a band of gold And the dream of what love could be If you are still here with me
