

Three Way

Kimberly Cole

Three way, three way, three way
Three way, three way

Here's my story and it starts like this
I met Johnny at about 9
Two tequila shots and one great kiss
I think it's gonna be a good night

Johnny leaves to go make a phone call
"Here's a 50, I'll be right back"
I turn around to order up some more drinks
That's when I met bartender, Jack

Well, Jacky's hot and Johnny's so cool
I can't make up my mind
What's a girl supposed to do?

Hey, Johnny meet Jack
Jack meet Johnny

I think I wanna have a three way
So what you think about a three way?
Tonight will be my first three way

My body on your body
And his body on my body
We won't tell anybody
Just between Me, Jack, and Johnny
So what you say about a three way?

They smile at each other
And give me a thumbs up
Gotta get them in a cab
Before I change my mind

Two hot guys
Guess I got good luck
Cause they seem to be getting along
Just fine

Well, Jacky's hot and Johnny's so cool
I got them both alone
Now I know just what to do

Hey, Johnny meet Jack
Jack meet Johnny

I think I wanna have a three way
So what you think about a three way?
Tonight will be my first three way

My body on your body
And his body on my body
We won't tell anybody
Just between Me, Jack, and Johnny

I think I wanna have a three way

So what you think about a three way?
Tonight will be my first three way

My body on your body
And his body on my body
We won't tell anybody
Just between Me, Jack, and Johnny
So what you say about a three way?

Let's have a three way
Let's have a three way
Three way, three way

Let's have a three way
Let's have a three way
Three way, three way
Three way, three way

Pent - Penthouse
No clothes, no shades
I'm kinda wasted
Don't know whose is what

Then suddenly
There's nobody kissing me
They turn their back
And started hooking up

Thought I was hot
Thought I was so cool
I guess it doesn't matter
When you bring home gay dudes

Cause Johnny's with Jack
And Jack with Johnny

This was supposed to be a three way
I thought I really had a three way
I thought they both wanted a three way

He put body on his body
Like my body with nobody
Guess I'll tell everybody
That Jack kissed Johnny

This was supposed to be a three way
I thought I really had a three way
I thought they both wanted a three way

He put body on his body
Like my body with nobody
Guess I'll tell everybody
That Jack kissed Johnny

Maybe one day
I'll have a three way
