

Hey, me, me again  
I, um, just wanted to say that last few weeks you've been amazing  
It's been so much fun  
Like I've really-really loved hanging out with you  
Um, I've-I'm not-even if it's too serious at the moment but like definitely  
keep in touch with me  
You know, you got my number +44 look all-all the digits

Save your story  
I don't need the bad boy  
You just wanna waste my time  
Don't you worry  
I'll be out of your life  
Faster than a bad night  
This time I need a love to ride or die  
Ride or die ride or die for me  
No more running I deserve this  
A real talk love yeah

Baby baby  
I still think about you  
Lay down beside me  
Tell me that you do

Yeah, I want that kind of love that stays forever  
Yeah, I want that kind of love that they remember  
I wanna feel like what I got is a night  
Yeah, I want a real-talk love

I'm a girl like that  
Have you ever met a girl like that  
You can't tame a girl like that  
Never gonna hold her back  
Never gonna fall on knees  
For another, won't say please or sorry  
Have you ever ever ever  
Met a girl like that

Maybe I want to be the president or  
Fly me to the moon and be a new language inventor  
You don't want me to do all the things that you do  
Looking in the mirror for someone to validate you

Boys don't cry, girls be whining  
What's the point of stereotyping  
'Cause I'm not like this, I'm not like that  
I'll blow a kiss then break your back

Baby baby  
I still think about you  
Lay down beside me  
Tell me that we're cool

Baby baby  
I still think about you  
Lay down beside me  
Tell me that we're cool

I'm a girl like that  
Have you ever met a girl like that  
You can't tame a girl like that  
Never gonna hold her back  
Never gonna fall on knees  
For another, won't say please or sorry  
Have you ever ever ever  
Met a girl like that

I ain't toxic, tired of being boxed-in  
I weigh out all my options, I watch you while you blossom  
Add you to my roster, I wanna meet ya papa  
I'm always prim and proper, but then I talk my Patois (yeah, yeah)  
I know at times I could be obnoxious (yeah, yeah)  
You wanting love but then you hate the process (yeah, yeah)  
Need a strong woman that won't tend to gossip (yeah yeah)  
We could argue 'bout it but let's change the topic (yeah, yeah)  
Reputation exceeds me  
I love a challenge girl, you make it look easy  
Running game on her, court-side or cheap seats  
You got your own, so don't act like you need me  
True indeed, you gonna realize that  
This where your life at  
Calling me, right back
