

Take

Kimbra

Ripping off the band-aid baby I can be bad
Topsy on a Tuesday better watch your man
I always gotta problem wanting what I can't have
Why give it up, I'm the last to laugh ha

IQ rocket high, but I'm good at playing dumb
Charity for lies cause I get what I want
I always know a sinner from a sinner like me
Why give it up, I'm the new bitch breed

I take, take, take, take, take, take, take
I'mma take, take no shame, til I win ahh
I take, take, take, take, take, take, take
I take, take, take, take, till I'm bigger

'Til I'm bigger...

I take, take, take, take, take, take, take
I'mma take, take no shame, til I win ahh
I take, take, take, take, take, take, take
I take, take, take, take, til I'm bigger

I take, take, take, take, take, take, take
I'mma take, take no shame, til I win ahh
I take, take, take, take, take, take, take
I take, take, take, take, til I'm bigger
