

Once Upon a Time

Kimya Dawson

Once upon a, once upon a time
There was a butterfly who liked to eat some flowers

Once upon a time there was a monster that ate the whole empire

Once upon a time there was a princess who lived in a castle and she was poor

Birdy bird! birdy birdy bird

Once upon a time there was a boat, a shoe, a shoe on his head and he put some glue on his head! and he stuck the shoe on! then tried to pull it off... but it never got off! and yeah he had the shoe of his foot on his head

A cat was in a hole
One flower in a dower [muffled] and the bumble bee was one

Once upon a time there was a man with drips on his hands, and um, it smelled like chicken

Once upon a time there was an apple, that was in the tree
There was a man coming to pick it then a twinkle fell on his head with it

Once upon a time, I lost my mind
Once upon a time, I lost my mind
Once upon a time, I lost my mind
Once upon a time, I lost my mind
Once upon a time, I lost my mind

[long silence]

[group sings Smash Mouth 'Allstar']
We could all use a little change!

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running

Didn't make sense not to live for fun
Your brain gets smart - shit! - but your head gets dumb - there's someone coming!- So much to do, so much to see
- there's some crazies behind us!-
So what's wrong with taking the back streets?

Crazies? Crazies!
Oh my god, they're gaining on us

[laughing]
That was so...scary. that was like... that was the computer- There's a flying computer! oh my god
[laughing] oh oh oh

That was great
That was...
