

Delicate

Kina Grannis

You said, "Be careful, it's delicate
Things can just crumble apart"
But it's not the same for me
It's not the same for me

I kept treading so carelessly
Thin lines that splintered my ground
But I closed my eyes to them
I closed my eyes to them

How did you know that I couldn't be
What everyone wanted me to be
And how did you know that I wouldn't see
When everything falls away from me
When everything falls away from me

One day I woke in the rubble
Knee-deep in damage I'd done
I was ashamed of it
How did it come to this?

And how did you know that I couldn't be
What everyone wanted me to be
And how did you know that I wouldn't see
When everything falls away from me
When everything falls away from me

How did you know that I couldn't be
What everyone wanted me to be
And how did you know that I wouldn't see
When everything falls away from me
When everything falls away from me
