## **Delicate**

## Kina Grannis

You said, "Be careful, it's delicate Things can just crumble apart" But it's not the same for me It's not the same for me

I kept treading so carelessly
Thin lines that splintered my ground
But I closed my eyes to them
I closed my eyes to them

How did you know that I couldn't be What everyone wanted me to be And how did you know that I wouldn't see When everything falls away from me When everything falls away from me

One day I woke in the rubble Knee-deep in damage I'd done I was ashamed of it How did it come to this?

And how did you know that I couldn't be What everyone wanted me to be And how did you know that I wouldn't see When everything falls away from me When everything falls away from me

How did you know that I couldn't be
What everyone wanted me to be
And how did you know that I wouldn't see
When everything falls away from me
When everything falls away from me
