

Heart Of Life

Kina Grannis

I write you letters from right to left
See if you have desire yet
To decipher what I said
And learn secrets from my head

And it was hard for me to say
Those three words that are so brave
Almost kept them locked away
Deep inside where they'd be safe

Always trying to find
A safer place to hide
Always felt I was protecting my heart and mind
Heart and mind
But it seems like to really feel like
I cannot hide
My heart and mind

And I don't know why I get shy
Tucked away inside my mind
Scared to let someone inside
I sit silent in disguise

Day I found a strength inside
Just by finally realizing
Is it truth that is inside
That I really cannot hide

My heart and mind
I always felt I was protecting my heart and mind
Heart and mind
But it seems like to really feel like
I cannot hide
My heart and mind
I cannot hide
My heart and mind
