

Impermanent

Kina Grannis

Three sides should make it stronger
But I can't hide, I got my doubts
Inside I see it crumbling

I know, there is a beauty in that
We go, and that it ends
So please don't go on reminding me

Isn't it enough to be
Isn't it enough to be
Isn't it enough to be here

We'll find home in the stars
Hope in the heart that mends
This is the start and end
We are the impermanent

It's clear that we don't see eye to eye
And I fear there's something wrong
When you're near I feel I'm crumbling

So let's stop imagining how it goes
It's not changing a thing
To have fought against the turning

Isn't it enough to be
Isn't it enough to be
Isn't it enough to be here

We'll find home in the stars
Hope in the heart that mends
This is the start and end
We are the impermanent
Home in the stars
Hope in the heart that mends
This is the start and end
We are the impermanent

We are the waiting creatures
Holding on to
The words of hopeful teachers
Wondering what is true
All we have is all we know
Today's just yesterday's tomorrow
It comes and goes

We'll find home in the stars
Hope in the heart that mends
This is the start and end
We are the impermanent
Home in the stars
Hope in the heart that mends
This is the start and end
We are the impermanent
