

# The Good Side

Kina Grannis

I got the good side of things  
Left you with both of the rings  
My fingers danced and swayed in the breeze  
The change in the wind took you down to your knees  
I got the good side of you  
Send it out into the blue  
The people danced to the sound of your heart  
The world sang along to it falling apart

But I sympathize, and I recognize  
Baby, I apologize  
That I got the good side  
The good side of things

I got the good side of life  
Travelled the universe twice  
So many thoughts I wanted to share  
But I didn't call because it wouldn't be fair  
Then I got the good side of new  
Found arms to fall right into  
I know how it looked, it wasn't the plan  
And some day I hope that you'll understand

That I sympathize, and I recognize  
Baby, I apologize  
That I got the good side  
The good side of things

I'm sure we'll meet in the spring  
And catch up on everything  
I'll say I'm proud of all that you've done  
You taught me the ropes, and you taught me to love

But I sympathize, and I recognize  
Baby, I apologize  
That I got the good side  
The good side of things

That I got the good side  
The good side of things
