

World In Front Of Me

Kina Grannis

Hear your breath beside me in my bed
All the sheets are tangled in my legs
And as I stretch
The sun falls on me
A gentle way to say-- It's time to wake up
It's time to wake up

To the world in front of me
Watch as it unfolds so beautifully
Fitting all the pieces perfectly
It's the world in front of me

Start your day with coffee, mine with tea
Humming with my guitar as you read
I write a song
The words all find me
Assembling into this picture of things
With all that they bring

To the world in front of me
Watch as it unfolds so beautifully
Fitting all the pieces perfectly
It's the world in front of me

It's the world in front of me
Watch as it unfolds so beautifully
Fitting all the pieces perfectly
It's the world in front of me
