

## Can We Kiss Forever?

Kina

I tried to reach you, I can't hide  
How strong's the feeling when we dive  
I crossed the ocean of my mind  
My wounds are healing with the salt  
All my senses intensified  
Whenever you and I, we dive  
I crossed the ocean of my mind  
But in the end I drown  
You push me down, down

All the shame  
When you called my name  
I felt pain  
When you came
