

# I Don't Know

Kina

I don't recognize the person  
In the mirror anymore  
And I'm not sure if that's a good thing or a bad thing  
Where did I go?

No, I don't know  
No, I don't know anymore  
Who I'm trying to be  
I don't know  
No, I don't know anymore  
But I'm trying to figure it out

I don't know  
No, I don't know anymore  
Who I'm trying to be  
I don't know  
No I don't know anymore  
But I'm trying to figure it out  
Figure it out

I know I say I'm fine, but am I really  
Or is it all a smile in disguise?  
And I know you're proud of me, but am I proud of myself?  
Well I don't know

I don't know  
No, I don't know anymore  
Who I'm trying to be  
I don't know  
No, I don't know anymore  
But I'm trying to figure it out

No, I don't know  
No, I don't know anymore  
Who I'm trying to be  
I don't know  
No, I don't know anymore  
But I'm trying to figure it out

I know seasons will change  
And I'll be okay  
One day all of the pain  
Will wash away

I don't know  
No, I don't know anymore  
Who I'm trying to be  
I don't know  
No, I don't know anymore  
But I'm trying to figure it out
