

Now I'm Alone

Kina

Let you go I should've let you know
When I first held your hand I never saw it end

'Cause I'm in denial
Never thought you would go
Now I'm all alone

You said all your love is gone
Baby if I'm not the one just do tell me girl
Please just do tell me girl

'Cause I'm in denial
Never thought you would go
Now I'm all alone
