

only in the night

Kina

You can meet me in the hotel lobby
But you can't be here to stay
Only in the night she wants me
You can find another way
And you know all this liquor got me fucked up
And I'm sleeping through the day
Cause only in the night she wants me
You can find another way

Do do do do do do
Do doo do doo
Do do do do do do
Doo oo oo oo oo
Do do do do do do
Do doo do do do do
Do doo

You can meet me in the hotel lobby
But you can't be here to stay
Only in the night she wants me
You can find another way
And you know all this liquor got me fucked up
And I'm sleeping through the day
Cause only in the night she wants me
You can find another way

Do do do do do do
Do doo do doo
Do do do do do do
Doo oo oo oo oo
Do do do do do do
Do doo do do do do
Do doo
