Oh, I don't know
If there's no war, man will create a war
Oh, in peacetime
Oh, in peacetime

Oh, I don't know

If there's no war, man will create a war
Oh, in peacetime
Oh, in peacetime

Pretty little skin, won't you let me in?
I lied to you once, I won't do it again
I saw you in a field with your sundress
I field dressed you after we spoke of civil unrest

Pretty little skin, won't you let me in?
None of this matters, I don't care about them
I had picked the lock with your hairpin trigger
We draped ourselves in jewelry like Nubians
And we sinned,
We sinned
Sinned
Sinned...

Color bad
Not the color I am
Class is bad
Wait, upper class is bad
Racist bad
Not the racism I have
Us vs them
Hold on, I'm not them man
