

## Pick A Side

King Combs

They prayin' on our downfall another time again  
After the rain fall the sun gon' shine again (That's right)  
Don't bust no u-turns 'cause we ain't forgettin' shit  
And to all ya'll that switched  
Suck my dick! (Let's go)  
Yeah, yeah, yeah, yeah, suck my dick  
What, what  
You talkin' down on the family name, man, you wildin'  
What (Get 'em)

I dare one of you niggas scream out "no Diddy" (Fuck that nigga up!)

Or blow with me, baddies they ready to go with me, I just nod and they know to go get him

Might see me with some pretty hoes with me, but ain't no hoe in me

I just lay back in that Virgil Maybach, that shit like 4-50  
Police raid the crib like we sellin' crack (We ain't doin' that)

But we out here sellin' tracks, multi-million dollar plaques

Rather put this shit on wax, all that gossip shit is wack

When all they had was 50 Cent, who put this city on the map? Stop lyin'

Pop's been hated on by many men and nigga, that's fine

They gon' try to stop these m&ms and they gon' die tryin'

Pull up to the southside, we locked and we got ties

Don't give a fuck about no blogs 'cause we really outside

Ayo, Cezey what the fuck these niggas talkin' 'bout?

Nigga say it war time then it's war, nigga

What we doin'?

Niggas playin' with niggas names and all that

Fuck that!

Broke nigga, I don't know who even birthed these hoe niggas  
All that woofin' on the net well now it's time to show niggas  
Steady talkin' on the fam and we don't even know niggas  
But go 'head play one call away, we ain't sparin' no nigga (All that shit dead)

Count bandos in my Gucci sandals, these niggas is sick

Probably hatin' 'cause we rich, he must think we fucked his bitch (Word)

Knocked them walls down like when them feddy boys ran in both of our cribs

Too bad they ain't know we bought the one next door 'cause that's the one they missed

How y'all talkin' like a nigga time up?

Throwin' shade get your shines up

Askin' where my pop's at, he on a G6 gettin' a line up  
All you pussy ass niggas line up  
Let's multiple the lies up, we runnin' shit, this Bad Boy, make  
a bad bitch wan' sign up
