

Spider Lilly

King Diamond

Ahhh
Ahhh
Ahhh, ahhh
Ahhh

Every day from night til dawn
We hear her sing that eerie song
And no one seems to know her name
Except that doctor and the faceless man

Oh spider Lilly white
Oh spider Lilly white

Ahhh, ahhh
Ahhh

How did you get those demon eyes
And why did you turn so vampire white
Are you from this world of mine?
Or maybe just another hole in time

Ahhh spider Lilly white
Oh spider Lilly white

Ahhh spider Lilly white
She's crawling on the walls tonight
She's holding on to life
She's holding on to life...life

Ahhh, ahhh
Ahhhhhhh

Ahhh, ahhh
Ahhh

Every day from night til dawn
We hear her sing that eerie song
Are you from this world of mine?
Or maybe just another hole in time

Oh spider Lilly white
Oh spider Lilly white
