

The Graveyard

King Diamond

Where am I? What am I doing here?
In this God forsaken graveyard
Yeah... that's what I'm doing... I remember now
This is my new home
And they will never find me here.....
I like it out here...it's nice and nice and nice and nice and..
.
I like, I like, I like it here..oooh my head..
My head, it hurts!! Oooooohhhhhhhh it HURTS!!!!!!
