

Black Triangle

King Dude

Bring forth the morrow
Bring forth the day
Bring forth the star
Bring forth the black triangle

Satan will speak
Although not through me
Bring forth the star
Bring forth the black triangle

Oh, go to sleep
So terror you'll leave
Oh, go to sleep
So terror you'll leave

Bring forth the morrow
Bring forth the day
Bring forth the star
Bring forth the black triangle

Satan will speak
Although not through me
Bring forth the star
Bring forth the black triangle
