

Make Me Blind

King Dude

Oh Death, you filthy whore
I crave you more and more
Is that you that I hear knocking up on my door?
There is no afterlife
I live as I shall die
There is no sacrifice to change my mind

And if you want to change my mind
All you've got to do is make me blind
And if you want to change my mind
All you've got to do is make me blind

Oh Death, you filthy whore
I crave you more and more
Is that you that I hear knocking up on my door?
There is no afterlife
I live as I shall die
There is no sacrifice to change my mind

And if you want to change my mind
All you've got to do is make me blind
And if you want to change my mind
All you've got to do is make me blind

Oh Death, you filthy whore
I crave you more and more
Is that you that I hear knocking up on my door?
