

Sanctioned

King Dude

Go and trace your names in lines [?]
Do you lie on the [?] of favor or failure?
When you answered the call
Did you triumph or fall?

Oh, you were sanctioned
Oh, you were sanctioned

The masters, the ministers
The misers, the minters
The masters, the ministers
The misers, the minters
Oh, they were sanctioned
Oh, they were sanctioned

If we could conceive
That obsession is water to conviction's wine
Then which one slits
Your passions and your crimes?

Oh, you were sanctioned
Oh, you were sanctioned
