Slaves

King Dude

Dig up the bones
Dig up the bones
Watch, they're frail
Watch them fail

They were not well
Or they are not brave

They are all slaves
They are all slaves
They are all slaves
They are all slaves

They were not well
Or they are not brave

They are all slaves
They are all slaves
They are all slaves
They are all slaves
They are all slaves
They are all slaves
They are all slaves
They are all slaves
