

# The Castle

King Dude

I don't know if I should lie  
Or just lie in bed  
The hammer strikes cracking the wind  
As it shatters the bones of the dead  
Did you see the devil looking at me?  
Did you hear what he was saying to me in my head?

So come on now and get it done  
The hour's already thin  
Angels sing in a choir of sleep  
That will quiet the peace within  
Sleeping out in the tower of black  
Sleepy head man, the witches are back again

In the castle of the dead  
You can't hear a word that's said  
Is it all inside my head?  
Who's in the viewing mirror?  
In the castle of the dead

Dear God, what have I done?

The work was good and I feel it  
I rock this, I scream at the top of my lungs  
Let's howl at the moon tonight

In the castle of the dead  
You can't hear a word that's said  
Is it all inside my head?  
Who's in the viewing mirror?  
In the castle of the dead

There's a place inside my mind  
That you can't see with your eyes  
There's a chapel with 600 steps  
That leads to the mansion inside my mind  
Every brick is made of living flesh

In the castle of the dead  
You can't hear a word that's said  
Is it all inside my head?  
Who's in the viewing mirror?  
In the castle of the dead
