

30 Past 7

King Gizzard & The Lizard Wizard

At 30 past 7 you know I could be better
At 30 past 2 I'll get along with you

I'm grumpy in the morning
You know that when I'm yawning, it's true
That I'll be snappy towards you
That I'll bite pieces out of you

At 30 past 7, 30 past 7
30 past 7, 30 past 7
30 past 2, 30 past 2
30 past 2, 30 past 2

I'm grumpy in the morning
You know that when I'm yawning, it's true
That I'll be snappy towards you
That I'll bite pieces out of you
Bite pieces out of you, bite pieces out of you
Bite pieces out of you (bite pieces out of you)
Bite pieces, out of you
