

## Altered Beast IV

King Gizzard & The Lizard Wizard

You don't feel a thing in your sinuous head  
No love, no pain, and no fear of dread  
Your apathetic dispassion has made you distort  
And your savoir faire is to kill for sport  
You'd wound a small creature and watch it wiggle  
And lust to feel so bad, that you'd force a giggle  
So crooked and curled is your point of view  
There is no other creature more malicious than you

I'm completely satisfied  
My other life I will not miss  
An altered beast until I die  
And I will not give up on this  
Never!

True, I went to hell and back  
But it was so I could be this  
An altered beast until the end  
And I will not give up on this  
Never!

I don't feel heinous  
I don't feel no pain  
I don't feel nothing  
I don't feel anything  
I don't feel heinous  
I don't feel no pain  
I don't feel nothing  
I don't feel anything  
Altered Beast within me  
I don't feel heinous  
I don't feel no pain  
I don't feel nothing  
I don't feel anything

You're ruthless, and savage, and sadistic, and vindictive  
And you find human flesh is incredibly addictive  
But the longer you live, and the longer you kill  
There's a void that gets harder, and harder to fill  
The void that you feel within would suggest  
That a canyon has opened up inside of your chest  
And whatever you do, there's no turning back  
You've reached the end of the cul-de-sac

Emptiness inside of me  
And hollowness all around me  
I cut myself to see it bleed  
And now I don't feel anything  
Never!

Insincere and trivial  
The world is void of all meaning  
And gone is all that's visceral  
And now I don't feel anything  
Never!

I don't feel heinous

I don't feel no pain  
I don't feel nothing  
I don't feel anything  
I don't feel heinous  
I don't feel no pain  
I don't feel nothing  
I don't feel anything  
Altered Beast within me  
I don't feel heinous  
I don't feel no pain  
I don't feel nothing  
I don't feel anything  
I don't feel heinous  
I don't feel no pain  
I don't feel nothing  
I don't feel anything  
Altered Beast within me  
I don't feel heinous  
I don't feel no pain  
I don't feel nothing  
I don't feel anything

The sole thing that will make your void obsolete  
Is to find someone new, some sapid fresh meat

Altered beast  
Alter me  
Altered beast  
Alter me  
I think I see  
An altered beast inside me, oh!  
I am an altered beast
