

# Exploding Suns

King Gizzard & The Lizard Wizard

Exploding golden sun  
Bursting radiation  
Get on your feet and run for the shelter  
A change is gonna come  
8 minutes and 20 seconds  
Over before begun

And all that was green is fire and dust  
And all that was blue has dried up  
And all that we knew has dropped off the edge of waterfalls  
What's after Armageddon?

Giant star  
A thousand tears  
Liquid moon  
A billion years  
Music of the brightest spheres  
A gong for remodelled frontiers  
Vibrates like the string of time  
Dissonant storyline  
The past and future intertwine  
The sun explodes at any time

Exploding sun erupts  
Causing deadly destruction  
The time has come  
Redux  
Final endgame  
A burning fireball  
No more white dwarf  
Our sins to be absolved

And all that was green is fire and dust  
And all that was blue has dried up  
And all that we knew dropped off of the edge of waterfalls  
What's after Armageddon?

Giant star  
A thousand tears  
Liquid moon  
A billion years  
Music of the brightest spheres  
A gong for remodelled frontiers  
Vibrates like the string of time  
Dissonant storyline  
The past and future intertwine  
The sun explodes at any time

The sun explodes at any time  
The sun explodes at any time  
The sun explodes at any time  
The sun explodes at any time

The sun explodes at any time  
The sun explodes at any time  
The sun explodes at any time  
The sun explodes at any time
