

Hate Dancin'

King Gizzard & The Lizard Wizard

I still hate dancing
Oh I still hate dancing
I still hate dancing
Oh I still hate dancing

Whatever you say
Whatever you don't say
Whatever you say to me won't sway me

She's coming straight for me
The worlds frozen
I'm sweating

I still hate dancing
Oh I still hate dancing
I still hate dancing
Oh I still hate dancing

Slow-mo at the disco and she's putting out her hand to tango
Oh no!
Her hips are too close for comfort
Now I'm losing control of myself
What the hell is coming over me right now
I feel like I'm about to freak out from the waist down
No more caring about what other people think
Let 'em kick up a stink

I might like dancing
Oh I might like dancing
I might like dancing
Oh I might like dancing

Whatever you say
Whatever you don't say
Whatever you say to me is gonna swing me

I was just joking
I love it
I was just kidding
I love it

I feel like dancing
Oh I feel like dancing
I feel like dancing
Oh I feel like dancing
I feel like dancing
Oh I feel like dancing
I feel like dancing
Oh I feel like dancing
I feel like dancing
Oh I feel like dancing
I feel like dancing
Oh I feel like dancing
