

# Head On/Pill

King Gizzard & The Lizard Wizard

Just yesterday, I sat across from my legs  
They weren't connected to me  
And I couldn't see 'cause my eyes weren't in me  
Hold me up straight while I screw my head on  
Head on

Just yesterday, I held the cup to my lips  
Pouring it deep in my throat  
Filling up me like a black enemy  
Hold me up straight while I screw my head on  
Head on  
Head on  
Head on
