

## I'm Sleepin' In

King Gizzard & The Lizard Wizard

I'm sleepin' in, in  
I'm sleepin' in

I know within my body  
I need rest from muscle ache  
I really need a break  
So I'm sleepin' in, in  
I'm sleepin' in

I know within my body  
I need to locate the switch  
Hidden in me which  
Will turn me off, off, off  
I know within my body, I need it

I need it, I need it  
I need it, I need it

I'm sleepin' in, in  
I'm sleepin' in  
I'm sleepin' in, in  
I'm sleepin' in

I know within my body  
I've got sleepy appetite  
Pray the darkest night  
I'm sleepin' in, in  
I'm sleepin' in

I need it, I need it  
I need it, I need it  
I need it, I need it  
I need it
