

## Mr. Beat

King Gizzard & The Lizard Wizard

Once I'm Mr. Beat, only miss a beat  
Once I'm Mr. Beat I only miss a beat  
Once I'm Mr. Beat, only miss a beat  
Once I'm Mr. Beat I only miss a beat

Latent gun beamed for my head  
It's a wonder that I tread  
Over worn ground through my youth  
Making all my dreams come true

Once I'm Mr. Beat, only miss a beat  
Once I'm Mr. Beat I only miss a beat  
Once I'm Mr. Beat, only miss a beat  
Once I'm Mr. Beat I only miss a beat

Happy days seem so absurd  
Lightning that's unlikely heard  
Nova sunshine while I nap  
Making all my dreams so sad

Once I'm Mr. Beat, only miss a beat  
Once I'm Mr. Beat I only miss a beat  
Once I'm Mr. Beat, only miss a beat  
Once I'm Mr. Beat I only miss a beat

Don't miss the bar, we play here  
Already ringing in my ears  
Don't miss the bar, it's right here  
Only a beat disappears

Once I'm Mr. Beat, only miss a beat  
Once I'm Mr. Beat I only miss a beat  
Once I'm Mr. Beat, only miss a beat  
Once I'm Mr. Beat I only miss a beat
