

N.G.R.I. (Bloodstain)

King Gizzard & The Lizard Wizard

Everyone thinks I am shallow
When I'm hiding in my room
Safe within my zone
All the demons that I summon
Wipe the blood off of the floor
It's my only law

Sorry!
Whoo!

N, G
R, I
Mundane
Bloodstain
NGRI, in my brain
Keep a clean
Bloodstain
Bloodstain
Bloodstain
Bloodstain

I've awoken from my slumber
I was dreamin' 'bout a flood
Covered in my blood
Now my pits are getting sweaty
It's a sign I've got to go
Back to where I know

Sorry!
Whoo!
Suffer endlessly
Suffer endlessly
Forever giving in to

[illegible]
