King Gizzard & The Lizard Wizard

Predator X
Predator X
Predator X
Meet your maker, the gladiator
Predator X
An undertaker, annihilator

Your death comes so slow
Attack from below

Predator X
Predator X
Predator X
The terminator turns to vapour
Predator X
Sleep forever one fathom under

See to the beyond
Draw the curtains closed

Predator X
Predator X
Predator X
Leviathan without a fin
Predator X
Beast from below, water hero

Forever alone
Make you a new home

Predator X
Predator X
Predator X
The looming raptor, smiling gator
Predator X
Freak of the deep, scare company

Your death comes so slow
Attack from below
