

Time = Fate

King Gizzard & The Lizard Wizard

It's always in between the lines you thought you read
The time and distance, keyhole, needle through the thread
I can't help but be sad sometimes
Talk to me see what's on my mind

If I could step backwards somewhere into the past
I'd relive that great party where we had a blast
Pondering things in the past makes you blind
Look ahead you'll not waste your...

Time mends furrowed brows
I can't help but thinking now
Back here I'll wait
Please don't let the past be my fate

It takes two cats to enjoy a cool jamboree
It takes three to remember that one differently
Memory's a fog it gets thicker with time
Look at the clock its hands read the...

Time mends furrowed brows
I can't help but thinking now
Back here I'll wait
Please don't let the past be my fate
