

6 AM

King Iso

Sound like hot tea

Usually have my hot tea in the morning with my Mimosa

Hehehe

Wake the fuck up

Order comin' in to check vitals

Either or

Yeah, six in the morning like, "What up, nigga?"

Getting medicated 'fore I fuck with ya

Pro'lly getting numb high

Waitin' on the sunrise

Workin' while I'm sleepin'

Feel like I don't do enough, nigga (what time is it?)

Six in the morning like, "What up, nigga?"

Sippin' Grand Mimosas out the cup, nigga

Jumpin' like bonzai

Feelin' like the one guy

Can't nobody sleep, but hold up you ain't even up, nigga

Six in the morning (damn, nigga)

It's six in the morning (up early than a motherfucker tryna get this money, nigga)

Six in the morning (before these nurses come in bothering niggas)

Six in the morning (huh, yeah)

I don't even need no alarm, more drive than a nigga that sleep in the car, u gh

Creepin' like a thief in the dark, nigga, no grounds to play how you leave it in park, ugh

Doctor got the medical, they got me on a schedule like all employees workin' hard, ugh

B to the R, ok eat with your art meanwhile I got the yeast in the starch, ugh

You riders gon' be biters, off, you dead to me, I cut 'em off they got me like, at least let me start

I'm workin' when you talkin' bitch, I'm 'bout to rocket, it goes up until they meet me on Mars

Should be a crime how your wine call it Pinot noir I'm clean spik on the spot

There's a bleacher report between me doing war rap peeps want even so I'ma rob 'em even up the score (winning)

I'm either recordin' or thinkin' of tourin', say yes to a favor, I mean no like drinkin' some taurine

I'm making a beat or I'm feature destroyin'

That's why these rap people avoid me but still try to take me, you need some more coins

And a death in a hoodie, I reap what I'm sowing, insomnia peakin', can't sleep anymore so it's three

More hours 'til three in the morning, it's

Six in the morning like, "What up, nigga?"

Getting medicated 'fore I fuck with ya

Prolly getting numb high

Waitin' on the sunrise

Workin' while I'm sleepin'

Feel like I don't do enough, nigga (what time is it?)

Six in the morning like, "What up, nigga?"

Sippin' Grand Mimosas out the cup, nigga

Jumpin' like bonzai
Feelin' like the one guy
Can't nobody sleep but hold up you ain't even up, nigga
Six in the morning (if you got kids you know, nigga)
It's six in the morning (I be out here tryna get to it)
Six in the morning (institutionalized in the motherfucker)
Six in the morning (mental hospital shit, schizo shit)

I'm liftin' up my effin' team like nitro did
And don't give a fuck like several freaks that I don't hit (I just can't)
I've been through stuff I never think but I know this
Dementia number 17, I won't quit
Nurse keep checkin' for the vitals
Shit, the Isoldiers gon' riot if I don't live
Tryna get the blood pressure, yeah I'm high no risk
Get my room on the ward like a hieroglyph
Everybody talkin' like they livin' on the edge but when I visit them instead
I never find no clip
Roaches slidin' while I'm fried, that's a high no hit
Yeah, these bars on fire, free pyro bitch
Fee fi fo shit to a micro chip, get it?
Couldn't see you after a psycho spin
Dog, I'm so sick that I might go get
Michael Vicks seein' niggas bite your shit
Make you black on cats, get a life both split
Like a wig on a mutherfuckin' highbrow Crip
But I'm too busy workin' for a few hits of service
They be sleepin' on me, my number's 5, oh shit it's

Six in the morning like, "What up, nigga?"
Getting medicated 'fore I fuck with ya
Prolly getting numb high
Waitin' on the sunrise
Workin' while I'm sleepin'
Feel like I don't do enough, nigga (what time is it?)
Six in the morning like, "What up, nigga?"
Sippin' Grand Mimosas out the cup, nigga
Jumpin' like bonzai
Feelin' like the one guy
Can't nobody sleep but hold up you ain't even up, nigga
Six in the morning (huh)
It's six in the morning (begging for cookies nad shit)
Six in the morning (they keep waking me up)
Six in the morning ('cause they stuck with me)
Six in the morn- (wake your motherfucking ass up)
Six in the morning
Six, twelve, six
Six, twelve, six
Six, twelve, six
