Mentally I wanna crash and my mind racin'
Back and forth it's steady I'm pacin'
I really made it but I just surprise bitches like I'm blind datin'
Mental an issue cannot fake it
From me never being patient, goin' in to an outpatient
But for me bein' in the dumpster like I'm Isaiah
Lord I'm ballin' like Thomas, I'll take it
Back into the day when I was not famous
There was not a second I would tell you that I'm not faded
Hustle in the cemetery work until I got paid
And I ain't talkin' military when I leave 'em blockaded, nigga
Get a little shine they 'gon try shade a killa
Like my capabilities not breakin' into these
Top-ish facilities
Pop make a killin' off opps say a killin' spree
I beg to differ
These niggas ain't fuckin' with me Andreas
That's how I talk to my sons and their moms hate it
I be tryna keep it cool but it's hot blazin'
I wanna take it from "God Damn it" to "God Dang It"
Homicidal thoughts had me sittin' with the doc waitin'
Lookin' like Eminem in the vid he did for "My Name Is"
You the type to wear crocs like you got patients
I'm in the water with a fuckin' killer croc waitin'
Niggas know I'm not playin'
Walkin' through the Devil's kitchen nigga with the pots, pans
No A-C but it's cool 'cause I got fans
Bitch you better stop fakin'
I be tryna have a good time, where is John Amos?
What the fuck am I sayin'?
Because I'm only thinkin' of my problems, star fadin'
Knew I wouldn't kill a nigga 'cause you wouldn't stop hatin'
Hinder me to not make it
But like a server quit his job that had to stop waitin'
Now I'm

Hellthy with two L's, got two blunts lit
Lit walkin' through hell, won't you come in?
The fire don't hurt when you been through some shit
So I smile while I burn away to nothin'

 'Cause whether or not it changes I bet I can
 Even though God is on my 11
 Chance walkin' through hell but I'm still gettin' blessed so whatever man
 When you live a dream, nightmares got a better plan
 So play your cards right every hand
 And anybody dissin' me I'm way better than
 You ain't even halfway in my zone nigga
 Seven grams
 Veterans standin' in the VA line
 When I was younger daddy told my momma, "He ain't mine"
 No wonder he but it indeed takes times
 So I ain't talking Windy City when I end up in the C-H-I
 But King Iso, he can't die
 I'm frontline with the Isoldiers yellin' out "We stay live"
 I'm in hell doin' well so when peeps say "Hi, how am I?"
