

Like That

King Iso

Ay you ever wake up and you feel like it's fuck me day today?
Everything I do I feel like motherfuckers don't like that shit but you know,
you know what, you know how I feel though?

Hold up
Everytime I write another bar I get to thinking man

Them niggas ain't gon' like that

So what?

I'm sick of niggas acting like they really with the shit
That they be talking, they ain't like that

Pour up

I'm 'bout to take a bottle to the face
And I ain't fucking with you niggas, yeah it's like that
You know what?

I'm gettin' hella turned up

Counting money by my lonely motherfucker and I like that

Hold up

Everytime I write another bar I get to thinking man

Them niggas ain't gon' like that

So what?

I'm sick of niggas acting like they really with the shit
That they be talking, they ain't like that

Pour up

I'm 'bout to take a bottle to the face
And I ain't fucking with you niggas, yeah it's like that
You know what?

I'm gettin' hella turned up

Counting money by my lonely motherfucker and I like that

Sick of niggas that just make a mockery of mental 'wareness
Might just pop you, make you do the Macarena

I just need a bottly to pop them please up on a leaner

Palm a heater, I'ma heat you bitches up like gonorrhea

Funny how you didn't have a problem either

How you think a fifty-one fifty feel

Tryna tick but y'all are weirdos, dressing like a bitch, you not Madea
I'ma eat ya broke ass up, get it, bottom-feeder

Lot of people try to be like me but I cannot believe a

Single thing you talk about, boom bitch, I bada-bing ya

I can see the reason why they wet me up like Aquafina

Please don't soundin' like me but you not you, onomatopoeia

Lot of skeezers politickin' 'bout me like they Condoleezza

Bought a piece and got that bitch a twin, that's Tamera Tia

I'm so fucking raw like yo bitch without a condom either

Suck my dick just like a beer can, here's a lime-a-rita

Dropping beats and spitting ammo I'm the king of

Follow me like Instagram, you're not a leader

I don't do black music, I don't do white music

I say both lives matter, fuck it, I'm a zebra

Stop believing what the media gon' try to feed ya

That was for the social media and non-believers

I be mobbin' on you niggas, y'all ain't dodgin' divas

Chop you niggas up like Godfather's pizzas, mama mia

Mios mios! Mamacitas servin' me like I'm Selena

Have to say I'm muy caliente, call me tapatio

Cutthroat Trump hoes, I won't vote for Donald neither

Blunt rolled, front row in Albuquerque rockin' heat up

He done made that sauce, I'm a boss, now I got my feet up
Jesus, hope is lost in the sauce, thinkin' I'ma eat up
Middle finger to the world and the globe, I got my penis
All day I dream about sex and I don't rock Adidas

Hold up
Everytime I write another bar I get to thinking man
Them niggas ain't gon' like that
So what?
I'm sick of niggas acting like they really with the shit
That they be talking, they ain't like that
Pour up
I'm 'bout to take a bottle to the face
And I ain't fucking with you niggas, yeah it's like that
You know what?
I'm gettin' hella turned up
Counting money by my lonely motherfucker and I like that
Hold up
Everytime I write another bar I get to thinking man
Them niggas ain't gon' like that
So what?
I'm sick of niggas acting like they really with the shit
That they be talking, they ain't like that
Pour up
I'm 'bout to take a bottle to the face
And I ain't fucking with you niggas, yeah it's like that
You know what?
I'm gettin' hella turned up
Counting money by my lonely motherfucker and I like that

I be wildin' out, the homies say "You Gucci, hood?"
Tripping, I'm just venting like my nigga Snake Lucci would
Take it back to Trayvon, you looking at me through the hood
Everybody on them sticks, you think you walking through the woods
Rolling up the buddha, fuck a hookah, puffing super good
Noobies truly hopping on my dick just like I knew they would
Kinda like the bitches will and I just made the do but look
I don't give the bitch a bill but how she let me do the book
Hopping up out your seat when I'm rhyming so much that you're through the ro
of
Doggie, why you acting like you beefing, all you do is woof
Follow in 'cause all you niggas sheep and I'm the hugest wolf
I ain't talkin' quite like I zoned off the super kush
Smoking presidential like somebody was shooting Bush
I'm dope enough for you to make my music, pushing you to cook
Used to use a Ruger, all you roodie-poos are fruity look
The dopiest fast rapper, last chapter, you know who to book
You can put me in a room with any rapper, do be shook
'Cause y'all be taking L's like a knight, better use a rook
All you do is make the simple rhymes with a stupid hook
That don't even match the damn subject matter you just put
Give me space while I kick this, I could use a foot
Your bitch gave me 2Pac backwards, ooh capuT
While you out acting like an asshole when ya floozy tush
Y'all ain't about shit what I'ma tell ya to do is shush
More bars than your cell, I'm the nucleus
Smoking girl-scout cookies, I'm the kookiest
If you hating on me, you know what to do because
My big dick blessed way too many uvulas
Hoes are like, "You're a psycho", who the fuck
I had sex with a xanny, yeah, I'm doing drugs
Been on the road doin' shows, gettin' groupie love
Me, myself, and I; they don't know what to do with us

Hold up

Everytime I write another bar I get to thinking man

Them niggas ain't gon' like that

So what?

I'm sick of niggas acting like they really with the shit
That they be talking, they ain't like that

Pour up

I'm 'bout to take a bottle to the face

And I ain't fucking with you niggas, yeah it's like that
You know what?

I'm gettin' hella turned up

Counting money by my lonely motherfucker and I like that

Hold up

Everytime I write another bar I get to thinking man

Them niggas ain't gon' like that

So what?

I'm sick of niggas acting like they really with the shit
That they be talking, they ain't like that

I'm 'bout to take a bottle to the face

And I ain't fucking with you niggas, yeah it's like that
You know what?

I'm gettin' hella turned up

Counting money by my lonely motherfucker and I like that

Iso...

One of them days nigga

Be like fuck everybody, it's just me

Fuck me day today

You don't like me I don't like you either nigga

My mama said you can't please everybody

Oh shit... Brain
